

73 SERIES

Hygienic Multi Stack Housing

The **73 Series** hygienic multi stack cartridge housing is available with 3 and 5 element stacks up to 30" long. The 'T' style configuration with dome cover is equipped with a Cast Vee clamp as standard for pressures ranging from 6 - 10 bar g.

This leg mounted, free standing housing with domed cover is the ideal choice for all hygienic systems when using Single Open End plug in style cartridges. The simple lightweight dome allows full and easy access to the cartridges for rapid changeouts and the housings can be dismantled for full clean downs. Bolted closures are an option available for all models.

The **73 Series** housing will accept the full range of Amazon Single Open End industry standard cartridges ranging from 0.03 to 40µm with nominal lengths of 10, 20 and 30".

Product Features

- 'T' style construction with a high specification hygienic finish with electropolish inside and out
- Quick release Vee clamp closure for ease of access
- Designed to allow complete strip down for ease of cleaning.
- No loose internals for trouble free operation
- 4 different vent options
- PED and ATEX compliant
- CE marked
